DUCRAY DEPARTMENT

Dear friends,

Thanks to your commitment our meeting keeps growing every year. We will have a remarkable team of speakers from Europe and America. Please spread by your countries the PDF of the symposium in order to turn it a global event.

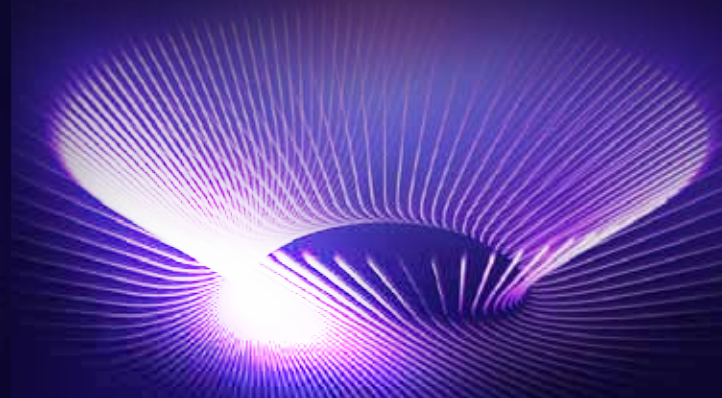

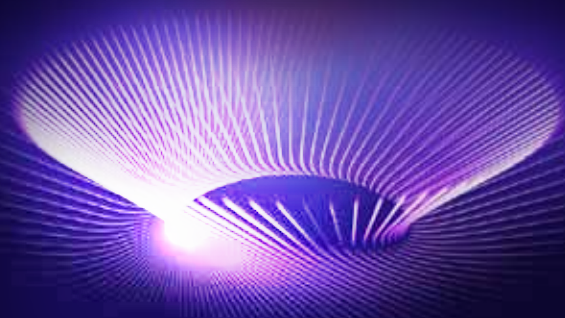

This year, the symposium is held in both Hospital (with patients and commented videos) and Hotel (plenary lectures).

Please tell us how to improve the congress and everything that you might remember to turn your stay in Lisbon a pleasant experience.

Once again, the Lisbon's Trichology Symposium is reality due to the fantastic Ducray's support.

Best regards

RUI OLIVEIRA SOARES
