## WELCOME MESSAGE

Dear Friends and Colleagues,

The **Congress of the European Association of Dermato-Oncology (EADO)** is now a very well established scientific meeting, and has participants not only from Europe, but from all continents of the world. It is the largest congress in dermato-oncology and there are no competing congresses in this field.

The **18<sup>th</sup> EADO Congress** will be hosted in the amazing city of Seville, Spain and will be a hybrid event comprising both an in-person conference and a virtual conference. We believe it will be one of the first congresses where face-to-face meetings will once again be possible.

Each EADO congress brings with it a special area of emphasis and Seville has a clinical focus on both the early diagnosis of skin cancer and dermatosurgery as part of the integral approach to skin cancer patients. Consequently, the promising therapeutic landscape that the increasingly conservative surgery and the latest breakthroughs in immunotherapy and targeted therapy bring to skin cancer patients will be comprehensively discussed in Seville, with also special attention to dermoscopy and other diagnostic technologies.

Compared to previous congresses, there is a balanced offering of topics on melanoma and non-melanoma skin cancer.

The best experts worldwide have been invited as speakers and will offer you the opportunity to gain a comprehensive insight into all areas of dermato-oncology.

Some cities blast you away, others slowly win you over. Seville, the host city, disarms and seduces you. Its historic center, lorded over by a colossal Gothic cathedral, is an intoxicating mix of resplendent Mudéjar palaces, baroque churches and winding medieval lanes. Flamenco clubs keep the intimacy and intensity of this centuries-old tradition alive whilst aristocratic mansions recall the city's past as a showcase Moorish capital. But while history reverberates all around, Seville is as much about the here and now as the past. It is about enjoying warm afternoons and evenings eating tapas in a buzzing plaza.

Join us at the **18<sup>th</sup> EADO Congress!** We are convinced we will all enjoy this opportunity to gain the highest scientific knowledge in the field, surrounded by the most colorful Spring ever, Spring in Seville.

Warmest regards,

**Prof. Dr. David Moreno-Ramírez**  
Seville, Spain  
Congress President

**Prof. Dr. Claus Garbe**

## CONGRESS INFORMATION

### GENERAL INFORMATION A-Z

#### ACCOMMODATION

If you're looking for accommodation whilst at the Congress then please see the different options advertised on the Congress Website:

<https://www.eado2022.com/accommodation/>

From 5\* rooms through to tourist apartments you're bound to find something to suit you.

#### ATTENDANCE CERTIFICATE

The attendance certificate can be downloaded from the personal user area of your registration account from once the congress has finished.

#### CANCELLATION POLICY

Cancellations must be received in writing by **January 27<sup>th</sup>, 2022**, in order to receive a 50% refund. No refunds will be granted after that date.

Substitutions are possible. To substitute a registration, please send an email including the name of the original registrant and the name of the person substituting to [registrations@eado2022.com](mailto:registrations@eado2022.com)

#### CME CREDITS

##### European Accreditation Council for Continuing Medical Education (UEMS/EACCME)

An application will be made to the UEMS-EACCME® for CME accreditation of this event. The EACCME is an institution of the European Union of Medical Specialists (UEMS). To obtain the CME certificate, you must have 80% attendance and the evaluation form must be filled out online in the personal user area. You will then be able to download your CME certificate.

##### American Medical Association (AMA)

The American Medical Association (AMA) has an agreement of mutual recognition of continuing medical education (CME) credit with the European Union of Medical Specialists (UEMS). Physicians (MDs, DOs or equivalent international degree) may have their EACCME European CME Credits (ECMEC®s) converted to AMA PRA Category 1 Credit™ by applying to the AMA.

##### Royal College of Physicians and Surgeons of Canada

Live educational activities, occurring outside of Canada, recognized by the UEMS-EACCME for ECMEC credits

are deemed to be Accredited Group Learning Activities (Section 1) as defined by the Maintenance of Certification Program of The Royal College of Physicians and Surgeons of Canada.
