To whom it may concern,

On behalf of the Spanish Academy of Dermatology and Venerology, we hereby confirm that candidates who will take the UEMS EBDV Examination under the remote examination format will be provided with an appropriate examination room and local invigilation in Madrid, Spain, in accordance with UEMS regulations.

The Spanish Academy of Dermatology and Venerology guarantees the availability of the same approved examination room and local supervision for all candidates who will attend the examination in this location.

This letter is issued solely to confirm the provision of examination facilities and invigilation.

Sincerely,

Dra. Yolanda Gilaberte
President AEDV
